Purple Cushhh's CBD Bird Oil benefits for your bird:

Promotes Relaxation

Improves Skin and Feather Health

Supports A Healthy Immune System

Organically Sourced Free From GMO

This product is safe for birds of all sizes and species with proper dosage

Ingredients

100mg CBD Oil, Flaxseed Oil (One 10ml bottle contains 200 drops - 0.5mg per drop)

Start with 1 drop (0.5mg CBD) twice a day. Increase dosage as needed until desired effect is achieved.

Cannabidiol (CBD) is a chemical in the Cannabis sativa plant, also known as cannabis or hemp. CBD oil uses the stalks, leaves, and flowers of the hemp plant in its production. CBD does not contain tetrahydrocannabinol (THC). CBD has B-complex vitamins including Vitamin B6, B12, riboflavin, niacin, iron, and thiamine.

Flaxseed Oil is excellent feather condition (helping to waterproof the plumage). Flaxseed Oil is loaded with Omega-3 essential fatty acids, protein, omega-3, phytochemicals, and minerals.
