

Product Information Sheet

Purple Cushhh CBD Dog Shampoo for Itchy Skin and Fleas

250ml

A natural product that has anti-inflammatory properties, pain relief, and help increase overall comfort for your pet with itchy skin from:

Allergies, Dermatitis, Parasites and Rash

Ingredients

CBD Oil, Natural Ingredients

Apply shampoo to several points over the body. Gently massage the shampoo into the coat and skin, all over the dog until sufficient shampoo is used to produce a good lather.

Take care around the face area to avoid eyes, nose, mouth and ears.

Rinse thoroughly.
