Metabolic Syndrome
Mood Disorder
Mood Disorders
Nausea
Neurodegeneration
Obesity
OCD (Obsessive-Compulsive Disorder)
Rheumatism
Stress

Ingredients

240mg Pure CBD Oil, MCT Oil (One 10ml bottle contains 200 drops (1.2mg per drop), For patients requiring **no *FECO**. Can be used by children and all animals.

Cannabidiol (CBD) is a chemical in the Cannabis sativa plant, also known as cannabis or hemp. CBD oil uses the stalks, leaves, and flowers of the hemp plant in its production. CBD does **not contain tetrahydrocannabinol (THC)**. CBD has B-complex vitamins including Vitamin B6, B12, riboflavin, niacin, iron, and thiamine.

MCT oil is a supplement made from a type of fat called Medium-Chain Triglycerides. MCT molecules are smaller than those in most of the fats you eat (long-chain triglycerides [LCT]). This makes them easier to digest. You can absorb MCT in your bloodstream quickly. MCT oil is usually made from coconut or palm kernel oil as both contains MCT.

*FECO (Full Extract Canna Oil) is the highest concentration of essential oil from the Cannabis plants that provides one of the broadest spectrum of cannabinoids available. FECO contains **no tetrahydrocannabinol (THC)**.
