once a day. Do NOT Exceed daily dosage, especially if having thyroid condition.)

Kelp Powder is a great source of Iodine, Supports the Immune System, Boosts Brain Function, is High in Antioxidants, supports Heart health and Digestive Health

Ingredients

Sea Kelp Powder (RSA)

Kelp is high in antioxidants, including carotenoids and flavonoids, which help fight against disease-causing free radicals.

Antioxidant minerals, such as **Manganese** and **Zinc**, help combat oxidative stress and may help protect cardiovascular health and prevent cancer.

Kelp may improve sensory receptors.

It may also promote healthy nails and blood vessels, aid in digestion, and ease constipation.

It may also reduce hair loss and help with diabetes and weight management.

Kelp may treat gastrointestinal ulcers.

CAUTION

Consult Health Practitioner before taking: If taking chronic medication or having diabetes or gout. Avoid if having liver, kidney or peptic ulcer disease. Avoid when pregnant or breastfeeding.
